LUC GIASSON OF LAVAL

"It was bad enough getting a flat right in the middle of nowhere. Then I realized how rusted the bolts were. No matter how hard I tried, I couldn't budge the tire iron! Then I got an idea: I fitted an extra piece of pipe into the hollow end of one of the handles and let the principle of leverage work for me. Got the tire changed in no time flat!"

CONCORDIA WOMEN'S BASKETBALL

SYLVIA SWEENEY ASSOCIATE COACH

Sylvia Sweeney returns to the basketball scene this year as associate coach of the lady Stingers, following a one year absence. The 29 year-old Montrealer is by no means a stranger to the court. She spent 10 years with the Canadian National team, a successful career which culminated with her participation in the 1984 Summer Olympic Games at Los Angeles. She also took part in the 1976 Montreal Olympiad.

Upon her return to Montreal, from L.A., Sylvia was hired by the Canadian Broadcasting Corporation (CBC) in Montreal as a television sports reporter. When Mike Hickey vacated his head coaching spot with the Stingers last summer, after leading Concordia to a Quebec University Athletic Association championship and fourth place finish in the nationals, Sweeney was sought out by Athletics Director Dr. Ed Enos to assume control of the program. Since her duties at CBC are quite time consuming she agreed to share her duties with Poly Stevens.

Sylvia has obtained her Level I and II coaching certificates from the Quebec Basketball Federation. A few years ago she held down a coaching post in Australia.

Sweeney is a former Stinger player herself. She toiled for Concordia during the 1976-77 season and gained all-star status in both the QUAA and the Canadian Interuniversity Athletic Union (CIAU). She soon moved on to the University of Sherbrooke, majoring in French. In 1979 she obtained her prelaw degree at Laurentian University, playing some basketball between classes.

Sylvia's globe trotting lifestyle didn't end there. The next few years were spent travelling and working in different parts of Europe, including France and Italy. At the present time she's quite pleased with the two careers she's embarked on and hopes to pass on her knowledge of the game to the players.

POLY STEVENS ASSOCIATE COACH

Like Sylvia Sweeney, Poly Stevens has a lengthy association with the game of basketball. It began at Mount Royal High School, where she played four years at point guard and gained notice as an excellent passer. Staying close to her native Town of Mount Royal, Poly graduated to the CEGEP ranks and St. Laurent's Vanier College, where coaches Charlie Smith and Ken MacAuslan inserted her in the starting lineup

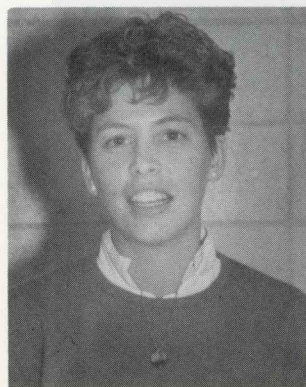

immediately.

After graduating from Vanier in 1975 she spent that summer touring Canada and the United States with the Quebec provincial all-star team. Acadia University of Nova Scotia liked what they saw and recruited her to play there. While Poly only spent one season on the team's roster, choosing to concentrate on her studies, Acadia marked the start of two very important factors in her life. Her coaching career was launched when women's coach Trevor Slack asked her to come aboard as his assistant for the 1979-80 season. And it was also at Acadia that Poly met her husband, John Stevens, who was a standout lineman for the Varsity football Axemen.

When John, a native of Quincy, Massachusetts, was hired to coach basketball at St. Joseph Junior High School in Holbrook, Mass. in 1980 he took his wife along. For two of three seasons they were there, she served as his assistant and gained valuable experience.

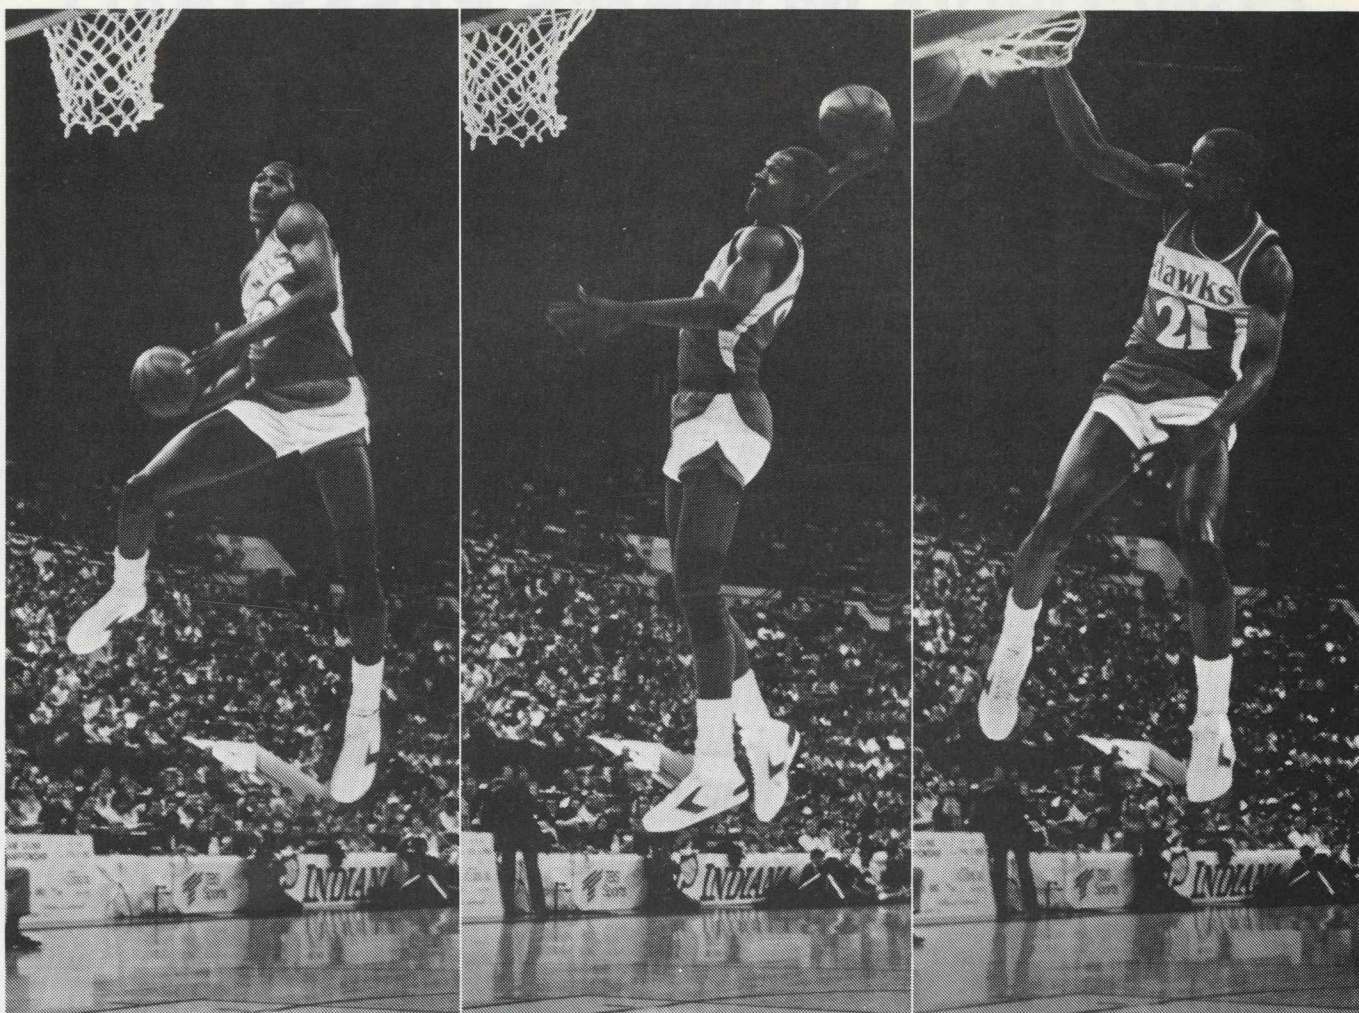

The couple moved to Brossard last year, on Montreal's South Shore, where they now live with their two daughters, Kristyn, 3, and Jessica, 1. John is a teacher at the Montreal Catholic School Commission.

SANDY MOSEL MANAGER

This will be Sandy's first year as team manager for the women's basketball team, but she is in no way a newcomer to the Concordia Athletics scene. The 27-year-old West End Montreal native graduated from Concordia in 1982 with a Bachelor of Science Degree. She is currently completing the Sports Administration Diploma Program at the university and is a supervisor of intramurals at Concordia. Sandy's involvement in the sports scene has not been relegated simply to paper work. She played five years for the women's ice hockey team and spent three of those seasons also competing for the women's soccer and field hockey clubs.

Sandy's duties with the basketball team will involve mainly administrative work, so that coaches Sylvia Sweeney And Poly Stevens can concentrate on court matters only.

THE SCHENLEY AWARDS

The Monde Selection is among the most coveted awards in the spirits industry. It is recognized as the "symbol of quality" by over 170 countries.

Why? Because only the Monde Selection is awarded according to both the subjective judgment of experts and the objective analysis of scientific tests.

Thus, we're very proud that in the last ten years Schenley has won more Monde Selection Awards than any other distiller in Canada.

We've earned 33 Gold, 12 Silver and 4 Bronze medals.

It's a remarkable record of achievement, confirming that when it comes to fine spirits...

Schenley is best.

SCHENLEY O.F.C.

The winner of 10 Gold medals, plus the competition's highest award...the Monde Selection perpetual trophy. Obviously, one of Canada's outstanding 8-year-old whiskies.

TROIKA VODKA

This exceptional vodka has won 5 Gold, 1 Silver and 1 Bronze. Troika has also won the loyalty of Canadians who appreciate a winning bloody mary or screwdriver.

SCHENLEY LONDON DRY GIN

The only dry gin to ever win a Monde Selection Gold medal, not once, but five times! It's the main ingredient for an award winning martini.

RON CARIOCA WHITE RUM

Winner of 2 Gold, 4 Silver and 1 Bronze, and a winner for those who appreciate the refreshing taste of rum made from pure cane spirits imported from the Tropics.

A taste you can call your own.
